GREENBRIER - Located amid the breathtaking mountains of West Virginia, The Greenbrier is a National Historic Landmark and world-class resort that has been welcoming guests from around the world since 1778. The declassified Bunker at The Greenbrier is a must-see experience that takes you behind the scenes and walks you through a fascinating period in the resort's history. Carved deep into the mountainside beneath our West Virginia Wing is an emergency Cold War fallout shelter. Once a top-secret U.S. government relocation facility for Congress, The Bunker is now open to anyone interested in reliving a legendary piece of The Greenbrier history.

Colonial Williamsburg is the largest outdoor living museum in the country. Colonial Williamsburg is a living-history museum and private foundation presenting a part of the historic district in the city of Williamsburg, Virginia.

Williamsburg, Virginia, is of course known for its history, as part of "America's Historic Triangle," which also includes **JAMESTOWN AND YORKTOWN**. This is where the first English colonists settled in the New World, after bravely crossing the Atlantic in the early 17th century. You'll want to explore the historic sites and the museums and immerse yourself in the history

Wright Brothers National Memorial in Kitty Hawk, North Carolina, honors the first successful airplane flight, conducted by Wilbur and Orville Wright.

NEPTUNE - He stands 26 feet tall, sun reflecting off his frame, wave-inspired curls cast in bronze. He is the son of Saturn, Lord of the Sea. He is King Neptune, and with a majestic presence only he can muster, he presides over **Virginia Beach's** newest oceanfront park.

The **Virginia International Tattoo** is a military tattoo that began in 1997 and is the signature event of the Virginia Arts Festival. Presented annually in Norfolk, Virginia, the tattoo is an exhibition of military bands, massed pipes and drums, military drill teams, Celtic dancers, and choirs.

SPIRIT CRUISE – NORFOLK. - Experience stunning city views and mighty Navy ships as you cruise the Elizabeth River. Whichever experience you choose, you'll see Norfolk from a fresh perspective.
