If it's summer, meet us in **St. Louis, MO!** We are heading to the **Gateway of the West** for two days of fun. **Foot High Pie** awaits us for lunch at the **Blue Springs Café** then on to downtown St. Louis. The **Economy® Museum** inside the historic **Federal Reserve Bank** will immerse you in a one-of-a-kind experience that explains the economy, and your role in it. The **Jefferson Barracks Telephone Museum** is housed in a beautifully restored 1896 building and features an extensive collection of telephones, telephone-related equipment and memorabilia. See how we've gone from calling an operator to using a smart phone. Time for an afternoon snack. Throughout the years, **Ted Drewes Frozen Custard** has become a popular treat for St. Louisans and tourists to enjoy after an afternoon of sightseeing. Along with the delicious hot fudge sundaes, **Ted's "concrete"** has been the most popular treat at the custard stands. After checking into the **Drury Inn** located in the historic Forest Park area, we head out to our evening plans. The **Muny** is America's oldest and largest outdoor musical theater. In **"Camelot"**, come re-discover this powerful, moving and enchanting tale of romance and political intrigue, as we all live for "one brief shining moment."

**Day 2**, a step-on guide will take us throughout the city and share the history of this beautiful and integral part of the St. Louis area along with visits to the **mosaic St. Louis Basilica**. Lunch is served at **Favazza's "on the Hill"**....a famous neighborhood known for their restaurants and markets. Last, but not least, we visit the **Missouri Botanical Gardens** along with a tram ride and time to view the beautiful floral arrangements. We can't think of a better way to put the finishing touches on a nice summer outing.
