Our kind of town, Chicago isour kind of town. With so many sights and sounds to choose from, on this trip to the Windy City, we are leaning towards unique and antique. Stop # 1- The expansive model train layouts and various botanical gardens make Wandering Tree Estate a unique wonderland. Estate owner, Elaine Silets is known as the "Train Lady" and has dedicated her life to the gardens and model railroad layouts that make for a truly unforgettable experience. Stop #2 -The Sanfilippo Collection has on display the largest variety of restored mechanical musical instruments in the world. The Music Theater can seat 350 and houses the largest theatre pipe organ ever built...nearly a third larger than the organ at Radio City Music Hall in New York City! The jewel of The Sanfilippo Collection is the Eden Palais, built in 1890, the most complete example of a European Salon Carousel in existence. Truly exquisite displays at a beautiful private estate.

Stop #3 - Stroll through the home of the **Chicago Cubs** and get the chance to see what happens behind the scenes of this **iconic ballpark**. Learn the **storied history of Wrigley Field** or observe the grounds from the best views in the house! **Stop #4** - There's nothing quite like seeing **Chicago's world-famous architecture** from all three branches of the **Chicago River**. From hidden treasures to the city's most well-known sights, you'll view over **40 Chicago landmarks** on this **60-minute Architecture River Boat Tours**. Let's hit **Navy Pier** for food and shopping then head on home!
