QUESTION.... What do Moline/Galena, IL and Le Claire/Dubuque, IA have in common? The answer: the flowing Mississippi River which runs right through the heart of each destination! River Cities share a common look and history from when the river was king and served as the main source of travel and commerce. These locations inhabit some of the oldest settlements west of the Mississippi River. If variety is your style, then this is the trip for you! On our last day, we head for Route 66, the "Mother Road" and check out Pontiac, IL before returning to our Indiana home.
