The **40 Days and 40 Nights Ark Experience** is a perfect way to see the expansive Ark replica plus enjoy Christian Music. Each day brings a new slate of **Christian artists and bands** performing for free with paid admission! We plan to spend **Day 1** at Williamstown, KY and enjoy all the venue has to offer.

Our Cincinnati hotel for the two- night stay is located right on the **Ohio River** where the lights of the **Queen City** are in full view. On **Day 2**, after our step-on guide gives us a tour and history of the city, we will tour **the Freedom Underground Railroad Center** and finish the evening boarding the **B&B Riverboat** for dinner cruise on the Ohio River.

Quirky is our theme for **Day 3**. The American Sign Museum is a come and see collection that explores both the innovation and ingenuity of the **signs** that shape the present. Remember the **Big Boy, Marlboro, Bob Evans signs**? That's just the beginning of this extensive collection. We then hop on over to hundreds of thousands of products, and over 70 countries represented at **Jungle Jim's International Market**. It's a destination for **foodies, tourists, and shoppers** alike; from just around the corner to across the pond and beyond....And when we get to the end of our trip, it's usually a sure "**sign**" that it's time to get home until next time.
