The **National Museum of the U.S. Air Force – Wright Patterson**, located near Dayton, Ohio, is the **world's largest military aviation museum** featuring more than **360 aerospace vehicles and missiles on display** amid more than **19 acres** of indoor exhibit space. This site will keep us quite busy until we relax for the evening at **La Comedia Dinner Theater** and enjoy a production of **"INTO THE WOODS."** This tale begins with an interesting **montage of familiar fairy tale characters** and stories. The story follows a Baker and his wife, who wish to have a child; Cinderella, who wishes to attend the King's Festival; and Jack, who wishes his cow would give milk. Interesting!!!

On Day 2, we simply have to visit a museum when it's advertised as **"A Palace Worthy of the Packard."**

The Packard Museum houses the **largest collection of Packard cars** and artifacts. See why the car design was so disliked for its time. Last, but not least, our final destination is the **Carillon Historical Park**. With more than 30 museum exhibits onsite, the park showcases **Dayton's rich heritage** of creativity, invention, and milestones in innovation that changed the nation and the world! Enjoy this 2-day historical trip that's sure to please!
