

“BUS TRIP WITHOUT THE BUS”

WEDNESDAY, AUGUST 13, 4:30 PM

TINSELTOWN INVENTOR

“The Most Beautiful Woman in the World”

HEDY LAMARR

Upon hearing the name Hedy Lamarr, who do you see? A smoldering temptress, perched on velvet cushions, in the 1949 Hollywood classic *Samson and Delilah*? Or a demure and professionally clad inventor, deep in the throes of ingenuity, embarking on scientific ideas that were generations ahead of her time?

History At Play introduces you to a woman clouded in a fantasy world that only Tinseltown could create. Experience this immersive living history event and watch as a young Austrian refugee transforms to become the most beautiful woman in the world, while inventing technology that would forever change the world.

History At Play was founded in 2010 by Artistic Director Judith Kalaora. She is a professional educator, writer, and living historian. She graduated from Syracuse University and completed the Globe Education Program at Shakespeare’s Globe Theatre of London, England. We will enjoy her 1-hour performance as Hedy Lamarr. *Suitable for age 13+, this program contains adult themes.*

Prior to the performance, we will enjoy WWII/Big Band Era music performed by an ensemble of musicians from our very own Kokomo Park Band, as we enjoy a delicious dinner prepared by Windmill Grill at Elite Event Center.

RESERVATIONS ARE FIRST-COME, FIRST-SERVED, LIMITED SEATING. Refund if replacement passenger available.
